

Make a Mother's Day!

Help us put hope back into the hearts of mothers who might go unnoticed on Mother's Day.

To honor the dedicated, hard-working mothers in our parenting programs, the Child Abuse Prevention Center would like you to donate a Mother's Day gift basket. You can help ensure that mothers in need feel appreciated for their tremendous efforts.

Some ideas include:

Slippers, perfume, robes, books, lotions, candles, make-up sets, soaps, gift cards to grocery stores, restaurants, or haircuts.

If interested, contact Elizabeth at

Thank you for making a difference!
