Providing critically-needed household items  
to Orange County families

**Basic Needs** focuses on providing critically-needed household items to Orange County families. It is our aim to provide the necessary items required by the Orange County Social Services Agency to allow a child to be placed with relatives and extended family members. The ability to obtain items such as cribs, beds, linens, refrigerators and furniture, are crucial in this process.

**The goals of Basic Needs are to help families build healthy homes by:**

- Creating safe, secure, and nurturing environments for children
- Educating relatives or caregivers about resources available in the community
- Decreasing stress resulting from the child's transition

**You can make a difference in the life of a child in the following ways:**

- Donate new or gently used furniture or household items
- Donate baby items
- Give your time by volunteering (high school community service hours apply)
- Donate gift cards from stores such as Albertson's, Target, and Wal-Mart
