

**May 14<sup>th</sup> is Mother's Day, and all across the United States, families come together to thank those who inspire and guide us.** To honor the dedicated mothers in our parenting programs, the Child Abuse Prevention Center is providing gift baskets to needy families throughout Orange County. This program helps put hope back into the hearts of mothers who might otherwise go unnoticed on Mother's Day.

The Child Abuse Prevention Center is requesting your support. You can help ensure that all mothers feel appreciated for their tremendous efforts by donating clear wrapped gift baskets (18"-24") filled with **new** items. Some suggested items that can be included are:

- Soaps
- Lotions
- Towels
- Gift Cards
- Picture Frames
- Movie Tickets
- Chocolates
- Flowers
- Makeup
- Robes
- Slippers
- Hair Accessories

In lieu of donating a gift basket, we are also accepting monetary donations to the Mother's Day Fund, which will be used specifically to purchase additional baskets and items for mothers served by the Child Abuse Prevention Center.

As a thank you for participating, donors will receive a personal note from each mother who benefits from your generosity.

The Child Abuse Prevention Center is the county's leading non-profit organization focused exclusively on the prevention of child abuse. Our early intervention programs have a well-documented record of strengthening and improving parent-child relationships, working to prevent child abuse before it occurs.

We greatly appreciate your support of the Child Abuse Prevention Center and the families we serve. For your records, your contribution to **Mother's Day 2006** is 100% tax deductible. Our federal tax-exempt number is 33-0013237.
